

ERASMUS PLUS SMS 2018/2019 – SELECTION CRITERIA

Erasmus Plus Admission Requirements

Linguistic criteria as required from the receiving institution;

1. Access criteria as required from the single receiving institution according to each Bachelor / Master Degree;

Criteria for the classification:

1. Academic career (weighted average) according to regularity of studies (CFU achieved / CFU plan of studies).

Correction index:

- A. -1 for students with at least 85% of CFU in their plan of studies;
- B. -0.9 for students with at least 66% of CFU in their plan of studies;
- C. -0,8 for students with at least 50% of CFU in their plan of studies;
- D. -0,7 for students with less than 50% of CFU in their plan of studies;
- E. -0,6 for students who takes longer than normal to complete their university course.

For students at their first year of Master Degree their weighted average of first semester will be taken in account together with the final mark of their Bachelor Degree.

It is provided maximum 10 points for applications with a specific indication of the exams to be done in the receiving institutions and their compatibility with the ones contained in the plan of studies of each student.

Applications must be fully filled. Ranking considers the preferences for the receiving institutions according to the order they will be expressed within the application form and no others receiving institutions will be taken in account.
