Echoes from the June 2014 Meeting

"... grazie per l'ennesimo eccezionale risultato di quest'ultimo Meeting... Sono onorato di essere entrato a far parte dei favolosi Squarcia's boys..."
(G.F. Pisa Italy)

"... this has been an excellent Mayo-Parma connection for many years. We will ensure it remains so for many more decade..."
(F.C. Rochester, Minn. USA)

"... I was asking myself: what is the secret of this succes? Why and how are we transformed when leaving Parma after the Meeting? I think the answer is simply: ... J'aurais souhaité que le temps s'arrete afin que ce bien-etre puisse se prolonger..."
(M.G. Paris, France)

"... the Meeting was wonderful. The new feature of international aid and health delivery logistic to the underdeveloped word in honor of the Duc of Parma was a wonderful addition to the Meeting."
(N.S. Palo Alto Cal. USA)

"... thank you for organizing such a wonderful Session. It was a really great afternoon with so many inspiring speakers. ..."
(L. Y. London UK)

"... venire a Parma è una gioia perché in quei pochi giorni emerge il lato straordinario del nostro lavoro..."
(L. P. Roma Italy)

"... abbiamo apprezzato lo spirito di amicizia vera, e di umanità che caratterizza e rende unici gli incontri di Parma. Scienza senza umanità può essere solo sterile."
(F. e B. B. Lucca - Miami Italy - USA)

"... the family athmosphere of this Meeting remains outstanding. ..."
(M. V. Munich, Germany)

"... I know to speak on behalf also of my colleague when I say we were in awe of your conference. ... The topics were not only relevant and from renowned speakers, but also in a setting where interaction was very much stimulated. The Special Session will surely help us to be not only better doctors but also better human beings. ..."
(S. N.-A.-N. Curacao, Antille)

"... thank you for the outstanding Meeting. The scientific value was great and I really enjoyed the marvelous PC Tour. ..."
(D.E.-S. Vienna, Austria)

"... I am still under the magic of the time spent there. I really liked the new format of the Meeting..."
(E. T. H. E. Budapest, Hungary)

"... the Meeting content was excellent. The social gathering was exceptional and memorable ... I thank God for the work you have done and hope the tradition of great Meetings in Parma continues. ..."
(J.P. Temple, Texas USA)

"... I want to thank once again for hosting such a beautiful, enjoyable, educational meeting. ..."
(P. W. Los Angeles, Cal. USA)

"... I am very glad that I was in Parma this year. The conference was nice and educating. I am waiting for the next Meeting. Greetings from Poland. ..."
(E. W. Wroclaw, Poland)

"... another highly successful meeting. It was a wonderful time and an important step in a new direction. ..."
(R. W. Los Angeles Cal. USA)

"... I am really flattered by the hospitality and kindness of everybody, such environment facilitate the outstanding discussions and let flourish important outcomes to take on board for further development."
(G.C. Cardiff, UK)

"... I and my colleagues were very impressed. And it was a great honour to give the Lecture with Dr. Hagler. ..."
(T. N. Moscow, Russia)

"Gracias Professor por sus mensajes. Recuerdo con emocion esta maravillosa Session dedicada a mi hermano! un gran abrazo"
(M.T. B.P. Paris - Madrid)
