→ Please ask also the professors...
- **Codes are very important**: we recognise the courses for their codes, not their names! Especially the incoming office. (i.e. we have 3 courses «consumer behavior..»)
- Please, write a **proper email, do not let me imagine what you need**

The Learning Agreement

- You can change the LA, but please clearly indicate **what is added and what is replaced**, I can't remember every LA. Please, send me the complete LA.

During the Mobility

Exceptional changes to Table A						
(to be approved by e-mail or signature by the student, the responsible person in the Sending Institution and the responsible person in the Receiving Institution)						
Table A2 During the mobility	Component code (if any)	Component title at the Receiving Institution (as indicated in the course catalogue)	Deleted component [tick if applicable]	Added component [tick if applicable]	Reason for change ¹²	Number of ECTS credits (or equivalent)

- Contact International tutors
- Change the LA

Special programs/materials/tests for Erasmus students
