FACCIAMO QUADRATO (LET'S UNITE)

#UniprSustainable

Facciamo Quadrato (Let's Unite) is the awareness-raising campaign that the University has launched on sustainability issues.

In the course of your university life you will get to know in detail what is being done about issues such as mobility, green, waste, use of resources, and so on.

Little is needed to get off on the right foot and to help make a **difference!** Pay attention to the waste you produce by sorting it carefully and placing it in the appropriate containers that you will find on all the University premises.

Don't forget to stay informed about these topics: your education and your future also depend on this!
