Investing in rural people

## Workshop

### IFAD's Impact Assessments for Food Systems Transformation

**19 February 2024 - 14:30**

Via Kennedy, 6 Parma – Aula Congressi

Language: English

Organized by:

Dipartimento Scienze Economiche e Aziendali (DSEA) - Università degli studi di Parma

in collaboration with

International Fund for Agricultural Development (IFAD)

The **International Fund for Agricultural Development (IFAD)** is an agency of the UN system specialized in rural development. The workshop represents an opportunity to be informed about IFAD's interventions taking advantage of the presence of two representatives of IFAD: **Sara Savastano**, Director of IFAD's Research and Impact Assessment Division and **Mattia Prayer Galletti**, former IFAD's Lead Technical Specialist. The workshop will also focus on understanding how development cooperation projects can increase the sustainability of the Food Systems.
