UniPR Mobile app, the official University of Parma students app

UniPR Mobile is the official app of the Athenaeum of Parma that provides useful information on exams date, messages from professors and lessons calendar to its students

The app shows your university career at a glance when you access the option "Academic Transcript" of the app menu, permitting you to see the planned subjects, the exams you passed and those you

Sites and Rooms

The image illustrates the navigation process in the UNIPR mobile app. It consists of three sequential screenshots:

- Screenshot 1 (Left):** Shows the main menu with the 'Sites and rooms' option highlighted in a red box. A red arrow points from this box to the search bar in the next screenshot.
- Screenshot 2 (Middle):** Shows the 'SITES AND ROOMS' screen with a search bar at the top. A red box at the bottom contains the text 'Click on the site name to view the daily occupancy of its rooms'. A red arrow points from this box to the first site entry in the list.
- Screenshot 3 (Right):** Shows the detailed view of a site, 'Campus - Aula delle Scienze'. A red box at the top contains the text 'Click on 'Today's Events' or 'Tomorrow's Events' to see the planned activities'. Two red arrows point from this box to the 'Today's events' and 'Tomorrow's events' tabs, respectively.

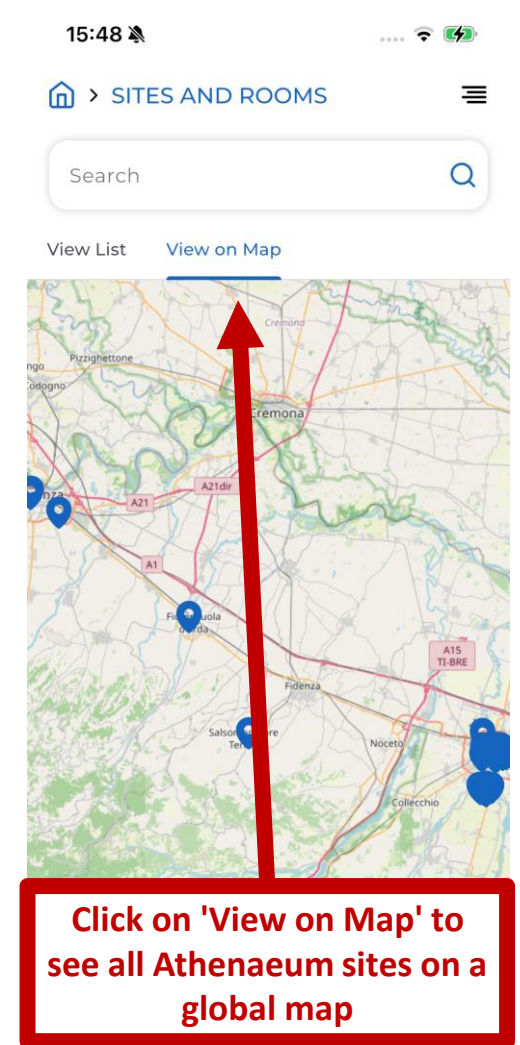

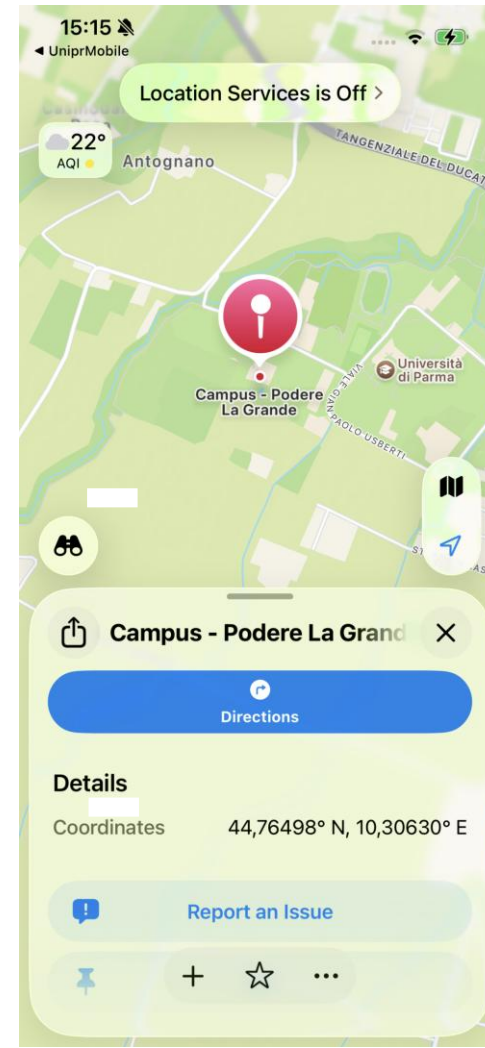

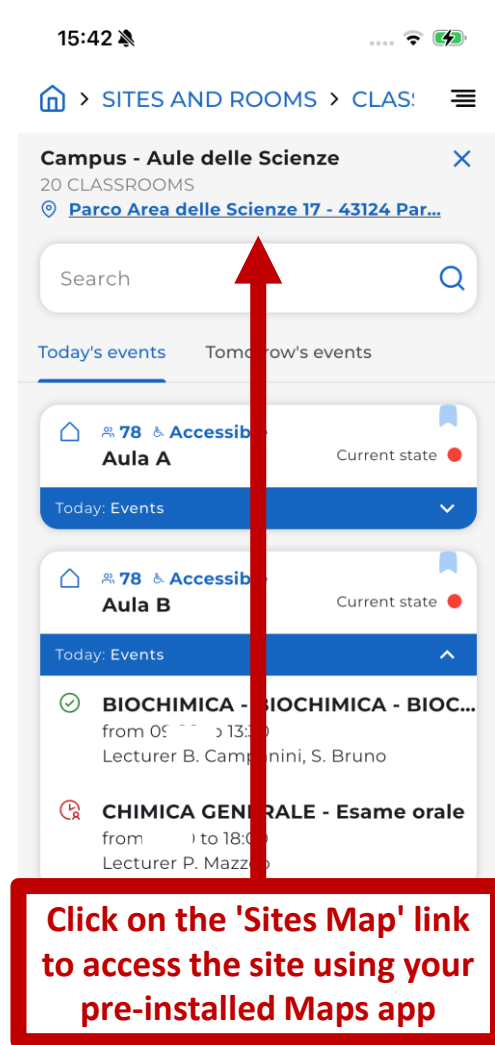

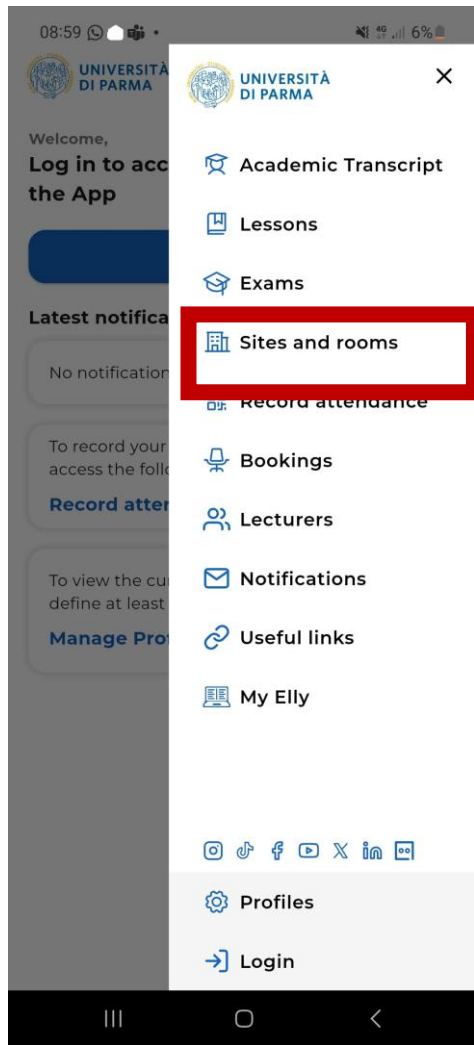

Red arrows connect the highlighted elements across the screenshots, showing the flow of navigation: from the menu to the search function, then to a specific site, and finally to the event details for a room.

Use the "search" widget to easily find sites and rooms

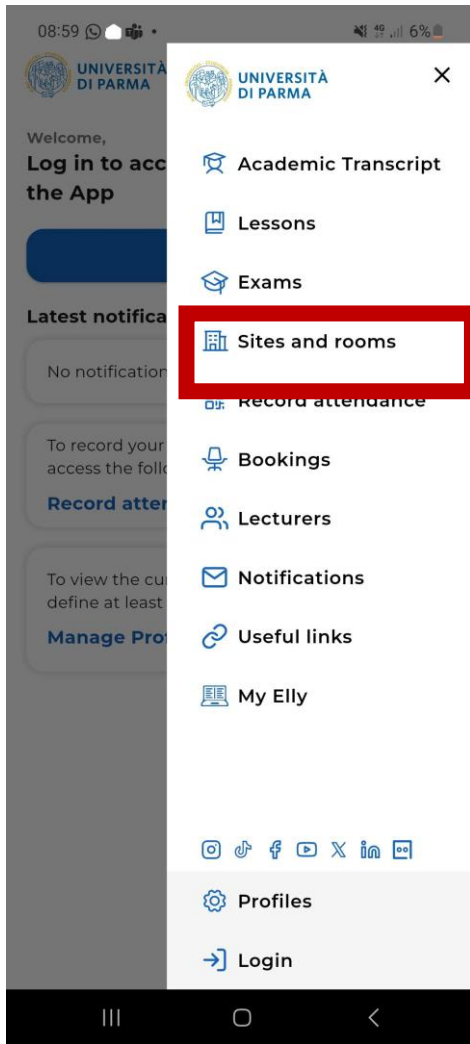

Click on the site name to view the daily occupancy of its rooms

Click on 'Today's Events' or 'Tomorrow's Events' to see the planned activities

Sites and Rooms

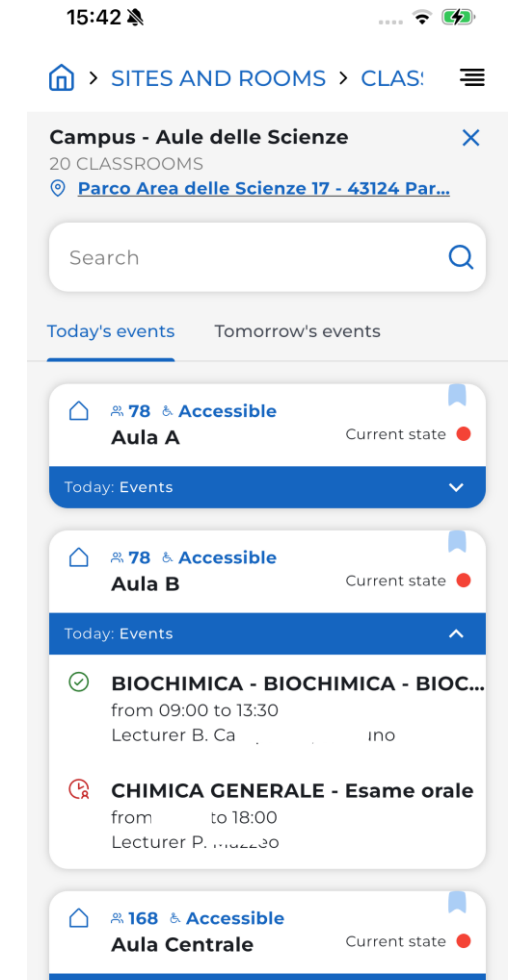

Sites and Rooms

Every room block in the app shows important information about the room itself, such as the total number of seats and whether an event is taking place (red dot) or is planned (green dot)

It also shows whether the room is accessible for people with disabilities

Thank you!
