REQUIREMENTS FOR PARTICIPATION IN THE EXPRESSION OF INTEREST

Italian and/or foreign candidates **who**, on the date of expiry of the deadline for submitting applications, **meet** the following requirements can send their expression of interest:

1. Master's Degree (LM) **qualification**, obtained pursuant to Ministerial Decree 270/2004, belonging to one of the following classes:
 - **LM-6 BIOLOGY**
 - **LM-8 INDUSTRIAL BIOTECHNOLOGY**or qualification declared equivalent/equivalent pursuant to current legislation, in any case, if it **has been obtained for no more than 6 (six) years**
2. **scientific-professional curriculum suitable for assisting in the performance of research activities**, which will be evaluated by the Research Manager.

The **qualification obtained abroad** must be official in the university system of reference, issued by an institution officially accredited in the country of origin, and must be recognized by the Selection Committee, in terms of nature, level and disciplinary correspondence, as equivalent to the Italian qualifications indicated above, for the sole purpose of awarding the research assignment covered by this call. In foreign university systems that provide for a single course

of study that integrates the master's degree and the doctorate and that issue a unitary degree, the Selection Committee assesses the correspondence of the qualification, even if it is of a higher level.

Candidates in possession of a qualification obtained abroad can participate in the selection by opting for one of the following alternatives:

1. attaching, if already possessed, a copy of the provision of academic recognition (ex-equivalence), with which the foreign qualification in Italy was conferred, assimilating it on a one-off basis to the Italian qualification required by the call for applications and allowing all the uses related to it, issued by an Italian university or other Italian higher education institution pursuant to art. 38, paragraph 3.2, of Legislative Decree no. 165/2001¹;

² The translation can be official (by the Italian diplomatic or consular authorities of the country in which the documents were drawn up), or sworn (carried out by a translator at the competent Italian judicial authority) or simple. In the latter case, it is necessary to attach the declaration in lieu of the affidavit, art. 19 and 47 of Presidential Decree no. 445 of 28 December 2000) with which the candidate must specify that the translation (e.g. in Italian) conforms to the original document in a foreign language attached.

APPROVAL OF ACTS OF THE DIRECT ALLOCATION PROCEDURE

The acts of the direct award procedure are approved by Rector's Decree, including the name of the selected candidate and the merit ranking of the unselected eligible candidates, published on the *online Register* and on the website of the University of Parma in the section dedicated to the procedure, which can be reached by connecting to the address <https://www.unipr.it/bandi-incarichi-di-ricerca>. The deadline for any appeals runs from the day of publication of this decree.

The ranking list remains in force for 12 (twelve) months, starting from the date of approval of the acts, without prejudice to compliance with all the requirements for activating the research assignment. No declarations of eligibility for selection will be made.

In the event of renunciation or forfeiture due to non-acceptance within the deadline set by the Administration, the search assignment may be assigned to another candidate who has been found suitable according to the order of the respective ranking. The scrolling of the ranking, in this case, is ordered by Decree of the Rector.

During the validity of the ranking list, in the presence of further justified needs relating to the performance of the same research project, the Department Council may propose to the Rector the assignment of additional research assignments to candidates duly placed in the ranking list, provided that the availability of the relevant financial coverage has been ascertained.

- ART. 7 -
