ADMISSION REQUIREMENTS FOR SELECTION

Italian and/or foreign candidates are eligible to participate in the selection process who, **on the date of expiry of the deadline for submitting applications for participation**, meet the following requirements:

- 1) Master's Degree (LM) **qualification**, obtained pursuant to Ministerial Decree 270/2004, belonging to the following class:
 - **LM 74 - GEOLOGICAL SCIENCES AND TECHNOLOGIES****or qualification for which equivalence or equivalence has been recognized pursuant to current legislation, obtained no more than 6 (six) years ago¹.**
- 2) **scientific-professional curriculum suitable for assistance in carrying out research activities**, which will be evaluated by the Selection Committee.

Candidates in possession of a **qualification obtained abroad**, for which there has not already been a measure of equivalence or equivalence pursuant to current legislation, may participate in the procedure. In this case, the qualification must be official in the university system of reference, issued by an institution officially accredited in the country of achievement, and is evaluated by the Selection Committee for the purpose of ascertaining the correspondence, by nature, level and disciplinary field, to the qualification required by this call, for the purposes of participation in the procedure and the possible assignment of the research assignment.

The possession of a higher level qualification than the one required does not, in itself, constitute a substitute requirement for the access qualification provided for by this procedure. If, however, the foreign university system provides for unitary courses of study that also include the level corresponding to the requested qualification and issue a single qualification, the Selection Committee assesses the correspondence of the qualification, even if of a higher level, for the purpose of verifying the possession of the required requirement.

¹ The six-year term runs backwards from the date of expiry of this notice for the submission of applications for participation.

Candidates who intend to assert a qualification obtained abroad must attach the required documentation in one of the following ways:

- a) attaching, if already in possession, a copy of the provision of academic recognition (former equivalence), by which the foreign qualification in Italy has been conferred, assimilating it on a one-off basis to the Italian qualification required by the call for applications and allowing all the uses related to it, issued by an Italian university or other Italian higher education institution pursuant to art. 38 of Legislative Decree no. 165/2001²;
- b) attaching the following documents for the evaluation of the correspondence of the foreign qualification, by level, nature and disciplinary field, to the Italian qualification indicated above, by the Selection Committee, for the sole purpose of participation in the selection procedure:
 - copy of the title with translation³ into Italian or English;
 - copy of the certificate, issued by the competent University or Institution of Higher Education that awarded the qualification, certifying the exams passed (*Transcript of Record*) or copy of the *Diploma Supplement* or copy of another instrument suitable for the latter, in all cases, with translation⁴ into Italian or English;
 - any other document useful for assessing the correspondence of the foreign qualification to the requested Italian qualification that the candidate already has.

In the case referred to in letter b), **the winner, for the purposes of entering into the private law contract, must produce the declarations, certifications and/or attestations specified in Article 8**, to which reference is made, within the terms indicated therein, under penalty of forfeiture of the relevant right.

Those who are not eligible to participate in the selection process:

- a) belong to permanent staff of universities, public research bodies and institutions whose scientific specialization diploma has been recognized as equivalent to the title of PhD pursuant to Article 74, fourth paragraph, of Presidential Decree No. 382 of 11 July 1980;
- b) have a relationship of kinship or affinity, up to and including the 4th degree, with a professor belonging to the structure that proposed the activation of the position, or with the Rector, the Director General or a member of the University Board of Directors;

- d) have benefited from research assignments pursuant to art. 22 ter of Law no. 240 of 30 December 2010, even with different institutions, for a period that, added to the duration of the assignment put out for tender, exceeds a total of 3 (three) years, even if not continuous, except for any exceptions provided for in order to implement specific European Union research funding programs as part of the actions related to the Marie Skłodowska-Curie (MSCA) program. For the purposes of the duration of the aforementioned relationships, periods spent on maternity or paternity leave or for health reasons according to current legislation are not relevant;
- e) have held positions referred to in Articles 22, 22-bis, 22-ter and 24 of Law 240/2010, also with different universities, state, non-state or telematic, with institutions of Higher Education in the arts, music and dance, with institutions whose scientific specialization diploma has been recognized as equivalent to the title of PhD pursuant to Article 74, fourth paragraph, of Presidential Decree 382/1980, and with public research institutions, for a period that, added to the duration of the assignment advertised, exceeds a total of 11 (eleven) years, even if not continuous. For the purposes of the duration of the aforementioned relationships, periods spent on maternity leave or for health reasons according to current legislation are not relevant;

(*) The public form that distinguishes the interview will be guaranteed by allowing anyone to be able to attend it at the time of its performance.

For identification purposes and under penalty of exclusion from the selection procedure, each candidate is required, before the interview begins, to identify himself/herself by showing a suitable identification document. Those who are citizens of a country of the European Union must present a passport, or an identity document issued by the country of origin. Candidates from countries outside the European Union must present only their passport.

The absence of the candidate from the interview will be considered as a waiver of the procedure, whatever the cause.

Once the evaluation has been concluded, the Commission shall draw up a merit ranking list for each candidate, on the basis of the criteria referred to in points a) and b) above, in descending order and identify the winner of the selection. The judgment of the Commission is final on its merits.

The selection is considered passed with a minimum score of 70 (seventy) points out of a total of 100 (one hundred).

The research assignment is awarded to the candidate who has obtained the highest overall score according to the order of the final ranking. In the event of equal merit, the candidate of the youngest age is preferred.

- ART. 7 -

APPROVAL OF THE ACTS OF THE SELECTION PROCEDURE

The acts of the selection procedure are approved by Rector's Decree, published on the online Notice Board and on the website of the University of Parma in the section dedicated to the procedure, which can be reached via the following link: [Calls for Research⁵](#), which will declare the winners under a condition precedent of the verification of the requirements for the assignment. From the day of publication of this decree, the deadline for any appeals begins.

The ranking list remains in force for 12 (twelve) months, starting from the date of approval of the acts, without prejudice to compliance with all the requirements for the activation of research assignments. No declarations of eligibility for selection will be made.

In the event of renunciation or forfeiture due to non-acceptance within the deadline set by the Administration, the research assignment may be assigned to another candidate who has been found suitable according to the order of the respective ranking. In this case, the ranking list is scrolled by Decree of the Rector.

During the validity of the ranking list, in the presence of further justified needs relating to the performance of the same research project, the Department Council may propose to the Rector the assignment of additional research assignments to candidates duly placed in the ranking list, provided that the availability of the relevant financial coverage has been ascertained.

- ART. 8 -
