Ellen Tise

Senior Director, Library and Information Services, University Stellenbosch, South Africa, and President of IFLA.

Il suo tema per la Presidenza è Libraries Driving Access to Knowledge.

Knowledge is the key to success and equitable access to information is a fundamental right of all people. She said that «the way to protect that right is for librarians to be fully engaged in the lives of their communities. We must be concerned about the public good, the principles of equality and human rights for all, and that is especially true for "those whose working environments are not as privileged as ours».

Tatjana Aparac Jelusic PHD

Chair of EUCLID European Association of LIS professors.

Head of the Department of Information Science at Zadar University.

Organizzatrice della Annual Conference LIDA Libraries in Digital Age.

Ruud Bruyns
